

2017 Accommodations Directory

UPDATED 1/23/2017

Searching for accommodations at Chautauqua is now easier than ever.

Visit www.ciweb.org/accommodations to start the process today!

Many types of accommodations are available at Chautauqua Institution, from the 152-room Athenaeum Hotel and new luxury condominiums to the rooming houses and inns reminiscent of Chautauqua's early days.

Most accommodations listed are privately owned and operated. The owners must be contacted directly for any additional information or reservations. Accommodations are sorted by type and then by number they sleep, with weekly first and then nightly listings. **Most listings run from Saturday through Saturday during the Chautauqua season.**

Please note that you must buy gate tickets and a parking pass in addition to making arrangements for your accommodations.

There are two important steps to planning your visit:

1. SECURE ACCOMMODATIONS: Except for the Athenaeum Hotel, all properties are privately owned and you must contact them directly for availability and booking. Chautauqua's property owners have also chosen to be part of our web-based accommodations service. **Visit www.ciweb.org/accommodations** to search for a place to stay, view properties, check availability and view contact information. Please note that accommodations cannot be booked through the box office.

2. ORDER YOUR GATE TICKETS: Anyone staying on the grounds of Chautauqua Institution must purchase a gate pass valid for the entire length of his or her stay. Children 12 and under are free and do not need a gate pass. Seniors 90 and older are free but must obtain a complimentary pass. Proof of age must be provided upon request. All passes and tickets can be ordered through the box office at 716.357.6250 or online at www.chqtickets.com.
