

The historic Athenaeum Hotel sits on a tree-shaded hill overlooking picturesque Chautauqua Lake on the grounds of the world-renowned Chautauqua Institution in the southwest corner of New York state.

Throughout Chautauqua Institution's summer season, guests are inspired by a variety of learning, recreational and entertainment programs that are all part of the unique Chautauqua experience. The Chautauqua Institution gate pass, which is necessary for hotel guests, gives you access to a unique mix of fine and performing arts, lectures, interfaith worship and programs, and recreational activities.

During the spring and fall months, the Athenaeum Hotel acts as a host to well-organized conferences, beautiful weddings, and special events. A Chautauqua Institution gate pass is not needed during these months.

**Athenaeum Hotel History**—The Athenaeum Hotel, built in 1881 in grand Second Empire-style, is one of the few vacation hotels of its kind still in operation in the United States. Located adjacent to the Amphitheater at the center of the Chautauqua Institution grounds, the hotel has provided accommodations for distinguished speakers and performers throughout its long history. Thomas Edison is said to have used the floor-to-ceiling windows of the dining room to escape overzealous admirers. In 1996, the Athenaeum became the Executive Mansion of the President of the United States when President Bill Clinton spent a week at the hotel preparing for a debate with Sen. Robert Dole.

**Athenaeum Hotel Rooms**—A blend of authentic period furnishings and fixtures preserve the Athenaeum’s rich historical presence and extend a cordial Victorian-style welcome to our guests.

Throughout the Chautauqua Institution season, the Athenaeum Hotel offers many all-inclusive vacation packages. Experience Chautauqua at the Athenaeum Hotel this summer.
