I To assist the Chautauqua Institution, Chautauqua, New York, in carrying out and extending its educational, religious and other purposes.

II To solicit, receive, and to acquire by gift, purchase, devise, bequest, or in other lawful ways, real and personal property.

III To hold such property and to invest and reinvest the same and receive the income thereof and to pay said income, less proper expenses, at least annually to the Chautauqua Institution, Chautauqua, New York, for the furtherance of its corporate purposes; except that, if this corporation acquires property for particular purposes or subject to specific conditions, neither said property nor the income therefrom shall be paid or transferred to the Chautauqua Institution, unless said Institution fulfills such purposes and conditions.

If Chautauqua Foundation, Inc., receives property, by gift, devise or bequest, subject to conditions or for specific purposes, which conditions and purposes the Chautauqua Institution fails, refuses or has not the corporate power to observe or carry out, such property shall be disposed of as directed by any court having jurisdiction.

IV Upon such terms as it approves, to dispose of any of its property which it deems unwise to hold.

V In case the Chautauqua Institution ceases to exist or to function in accordance with its corporate purposes, to pay over its income and hold or dispose of its property for the benefit of some similar religious or educational institution, as may be directed by any court having jurisdiction.

VI To do all lawful things proper or needful to accomplish the purposes herein before expressed.

MISSION STATEMENT

Adopted by the Chautauqua Foundation Board of Directors August 13, 1992.

Chautauqua Foundation, Inc., is the principal organization responsible for the philanthropic funding of the Chautauqua Institution. In this role it will:

Develop and maintain programs, products and vehicles appropriate to the philanthropic needs of the Institution as determined by the Board of Trustees and the Administration.

Assure fiduciary care in the investment, custody and administration of funds raised.

Disburse funds to the Chautauqua Institution in compliance with the Chautauqua Foundation Articles of Incorporation and the requirements imposed by donors.

Develop and maintain a competent and active Board of Directors and other volunteers as appropriate.

Develop, maintain and direct a professional staff appropriate to carry out the above responsibilities.

In the discharge of its responsibilities, the Chautauqua Foundation will be guided by the Chautauqua Challenge as adopted by the Board of Trustees. The Foundation will be dedicated to quality and integrity in all of its internal and external relationships. The Foundation will anticipate and accept change while maintaining an understanding and appreciation of the history of the Chautauqua Institution in general and the Foundation in particular.
MESSAGE FROM LEADERSHIP

Dear Friends,

In August of 2008, when I assumed the Chairmanship of the Board of Directors of the Chautauqua Foundation, the Dow Jones stood at 11,430. The Foundation and Lowell Strohl had just reported to its membership that at the close of the prior fiscal year the net assets of the Foundation had reached $61,381,000, an all-time high. And then financial armageddon occurred. I need not recount the events and financial pain we all suffered in the next twelve months.

One year later it was my responsibility, along with Geof Follansbee, to report to you on the state of the endowment. The fiscal year that had ended four and a half months earlier had seen the fair market value of our invested assets (Chautauqua’s endowment) decline by nearly $20 million and our net assets at the end of the year stood at just in excess of $42 million. The Dow Jones had seen three weeks of recovery and stood at 7,608.

Later this month, I will report to the membership of the Foundation for the final time. My successor as a director will be elected by the membership and later that same day the chair-elect, Cathy Bonner, will assume leadership as the new Chair of the Board of Directors. In the intervening years between my first report and this one, I take great pleasure in the realization that the Foundation’s asset base has not only recovered but grown substantially.

As of March 31, 2015, the net assets of the Foundation stood at $88,382,000. We have more than doubled our assets in this six-year period because of four critical elements. First, of course, the market has been kind to us over this period. Our investment returns have been strong. Secondly, the Investment Committee of your board has remained patient, committed to a course it has believed sound, and most importantly, did not panic during or just following the financial meltdown and change its investment strategies. The Committee’s decision has been rewarded. Third, we have been conservative in our spending by keeping our total rate of spending at or below 5% in this time period. Finally, we have received more than $26 million in gifts to the endowment during this period.

For this last result, and for all those who have given to the Chautauqua Fund and to the many capital projects that the Institution has undertaken since I became Chair of the Foundation, I thank you. Your generosity has been remarkable in difficult times and in good ones. Your investment has brought Chautauqua Institution and the Foundation to new heights.

Serving on this board, leading this board, and working on behalf of the Institution has been a privilege and a joy. I thank all my colleagues who served with me over these past eight years for your commitment to the Foundation and your incredible investment of time and resources. My thanks also to Geof and his team at the Foundation. They are serving this organization at the highest level.

Finally, I leave with excitement about Chautauqua’s future. I look forward to remaining involved in my capacity as co-chair of the Promise Campaign along with my friend George Snyder. We have work left to do but we do so with confidence and excitement about what the success of the campaign will bring. And I am eager to witness all Cathy Bonner and the Foundation Board achieves in these next few years. I wish you well.

Sincerely,

Steven W. Percy, Chair
Dear Friends,

During Steve’s tenure as Chair, he and I have written a joint message to you for this annual report. I was quite aware that Steve would not allow me to sing his praises in such a letter. I have solved that challenge by returning to the format we used many years ago with the Chair and the CEO writing separate letters.

Steve has led our organization with patience, high standards, total integrity and kindness. That is who he is. There is no flamboyance, no desire for the limelight and no interest in making news. He is interested in results — as he is with his beloved Michigan Wolverines. I speak for the entire staff of the Foundation in saying we have been extraordinarily well served by his leadership and have been proud to serve with him.

Polly Percy has attended events too many count with Steve. More often she has found herself without him at home while he tended to his responsibilities as Chair of the Foundation Board (which include attending all meetings of the trustees of the Institution). Together they have provided philanthropic leadership to the Promise Campaign and Polly gave her blessing to Steve becoming one of the campaign’s co-chairs. To Polly, we extend our gratitude as well.

Steve is one in a long line of highly respected leaders of this Foundation who have importantly balanced the sometime competing interests of long-term perspective with short-term challenges. The Foundation was established in 1937 to convey a message of permanence about the Institution and to secure and manage the resources that facilitate and enrich that permanence. The tumultuous economic times in which Steve’s chairmanship occurred required firmness, sensitivity and intellect. He brought all three to the task.

Steve, we return your Saturdays to you to root on the Wolverines. Go Blue! Go Chautauqua! Thank you, Steve and Polly.

Sincerely,

Geof Follansbee, Chief Executive Officer

Total Philanthropic Activity

Total philanthropy includes new cash gifts, new pledges recorded, and new planned gifts. It consists of 3 categories of giving; (1) Chautauqua Fund, (2) endowment, and (3) capital and other. The capital and other gifts are made directly to the Institution, primarily supporting the renovation or construction of facilities and also supplementing the operating budget for extraordinary program initiatives. Gifts to the endowment are made to the Foundation and then transferred to the Institution according to the spending policy for the permanent endowment and the terms of the gift. All of the gifts to the Chautauqua Fund are transferred to the Institution. Annual gifts to the Chautauqua Fund are used in the operating budget of the Institution to support the full range of programming Chautauqua offers. While the Foundation’s reporting is based on its fiscal year ended March 31, the Chautauqua Fund operates on a calendar year. During the 2014 calendar year, the Fund raised $3,765,894. Over 88% of this amount was from members of the Bestor and 1874 Societies. The success of the Fund depends upon nearly 140 volunteers who solicit gifts from Chautauquans, patrons, and community residents. The costs of the fundraising efforts performed by the Foundation on behalf of the Institution are reported in the Foundation’s audited financial statements. The five year average of such costs was 7% of the amount raised for the fiscal year ended March 31, 2015.

The charts above represent total philanthropic activity, which includes new cash gifts, new planned gifts, and pledges recorded during the most recent five fiscal years (in thousands).
Endowment Contributions Receivable

New pledges and planned gift intentions, when combined with the previously stated intentions of donors, create a pool of future assets in excess of $44.7 million as of March 31, 2015. The decrease from last year was driven by cash receipts into the endowment from contributions receivable. The discounted value of unconditional contributions receivable recorded in the financial statements was $6.4 million as of March 31, 2015. Conditional contributions receivable are not recorded until such time as the conditions are substantially met. The Eleanor B. Daugherty Society recognizes donors during their lifetime who have chosen to support Chautauqua’s mission through a planned gift. Members are listed on pages 42 and 43.

Endowment Net Assets

The Foundation’s net assets were $88.4 million at the close of the fiscal year ended March 31, 2015, $4.9 million higher than reported at the beginning of the fiscal year. There were 690 active endowment funds as of March 31, 2015, representing $80.1 million of net assets. The vast majority of these funds are permanent endowments created to provide financial support for a specified purpose or to provide general support to the Institution. The remaining funds are funds whose principal may be expended but that the Foundation invests as part of the permanent endowment portfolio.

Support to the Institution

The Foundation’s spending includes direct and indirect support to the Institution, administrative costs of running the Foundation, and investment management fees. Indirect support represents the costs incurred by the Foundation in providing development services on behalf of the Institution. Direct support from the endowment represents distributions to the Institution toward the operating budget for both specified and unspecified purposes. The amount to be distributed from the endowment is determined annually by taking the prior year distribution and increasing it for inflation and new gifts. The amount to be distributed from temporarily restricted funds is determined annually by the donor and the Foundation.

The Investment Committee regularly reviews investment policies, strategy, execution, and performance. Because asset allocation is the primary driver of a portfolio’s total return over the long run, comparison of performance is viewed in the context of the portfolio’s asset class holdings. The Committee’s oversight responsibilities cover $87.2 million in invested assets, comprised of the following portfolios:

1) Endowment ($81.3 million)
2) Temporarily restricted ($1.6 million)
3) Pooled life income fund ($3.7 million)
4) Custodial ($6 million)

Each portfolio is managed according to its specific objectives, and has a unique asset allocation appropriate to those objectives. Investment performance is presented on a net basis, defined as total time weighted return after all investment management fees.

Hirtle, Callaghan & Co., LLC serves as the Foundation’s Chief Investment Advisor and actively manages the majority of the endowment portfolio, the temporarily restricted funds, and the custodial funds. The remaining portion of the endowment fund is invested in two funds of hedge funds, Blackstone Alternative Asset Management and Pointer Management, LLC. The pooled life income fund is managed by Key Private Bank.

1) Individual endowment funds are pooled for investment purposes and tracked with unit accounting. This pooled approach enables endowment funds to collectively benefit from the diversification and efficiencies that are available to larger investors. Each endowment fund receives its proportionate share of return based on the market value of the endowment as a percentage of the total market value of the investment portfolio. Hirtle, Callaghan & Co., LLC manages $64.3 million of the endowment and $17.0 million of the endowment is invested in the two funds of hedge funds. The endowment’s net return for fiscal year 2015 was 3.6%.

2) Temporarily restricted funds are held and managed separately from permanently restricted endowment in one of two portfolios, employing very conservative investment strategies. There was minimal return on the portfolio primarily held in cash and the return on the other portfolio was 3.3% for fiscal year 2015.

3) The management and investment strategy of the pooled life income fund (PLIF) is reviewed annually with Key Private Bank. At March 31, 2015, total PLIF assets were $3.7 million, invested 37% equity, and 57% fixed income, and 6% alternative investments.

4) Funds held in custody for the Institution to meet the debt service for the Turner Community Center had a market value of $628,283 as of March 31, 2015. Assets are invested in a series of certificates of deposits.

Endowment Investment Portfolio

This chart represents the endowment investment portfolio in thousands, which has grown by $31.5 million over the past ten years, from $49.8 million as of March 31, 2006 to $81.3 million as of March 31, 2015.
Endowment Asset Allocation 2015

Total endowment market value as of March 31, 2015 and 2014 was $81.3 and $75.1 million, respectively. As of March 31, 2015 the portfolio was allocated as shown in the accompanying table.

Annual Fiscal Year Performance

The investment committee takes a long term approach, over full market cycles, to assess the performance of the portfolio. The Foundation has produced excellent long-term investment returns. Over the ten-year period ending March 31, 2015, the Endowment earned an annualized 6.0% return, net of fees, surpassing the annual results of the diversified benchmark, 5.3%. This benchmark is net of fees and is diversified based on the strategic allocation of the Russell 3000, MSCI EAFE, HFR Strategic and BarCap Aggregate Bond indices. The benchmark is currently weighted 30% Russell 3000, 30% MSCI EAFE, 20% HFR Strategic and 20% BarCap Aggregate Bond.

As a young lawyer, Art Scavone had been hearing about Chautauqua for years from his girlfriend Anne Hoyt, who first came to Chautauqua as a college student in the early 1980s to spend time on the grounds with her father, Robert Hoyt, and stepmother, Mig Boyle. Tim Goodell, Scavone’s colleague at the New York City law firm White & Case, was also full of Chautauqua stories. (Goodell is the son of stalwart Chautauquans, the late U.S. Senator Charles Goodell and Jean Rice Goodell.) But it wasn’t until Tim’s 1989 wedding to Karen Jackson in the Hall of Philosophy that Art Scavone had his first Chautauqua experience.

The Scavones and Goodells have been best friends for some 30 years now, and their families continue their Chautauqua traditions every summer. Like many young couples, the Scavones started with short stays on the grounds when their children were little. Now Anne, A.J., who is 16, and Claire, who is 14, come for four or five weeks each season. Art joins them for long weekends.

“Our children have made lasting friendships with other kids from different places across the country and even internationally,” Anne notes. “They keep in touch with them throughout the year and start counting the days to get back as soon as they leave each summer. It’s a safe, magical place for them that not only reinforces family values, but provides exposure to a community that values lifelong learning. It strengthens our family. Seeing the moon rise over the lake is a big contrast from our lives in Manhattan.”

The Scavones are members of the Bestor Society and have also demonstrated their support in the Promise Campaign by making a gift towards the rebuilding of the Amphitheater. They see their giving as critical to the Chautauqua equation. “It is easy to give back to a place that is gives us so much at so many levels,” Anne says.
The Audit Committee reviewed and discussed the audited financial statements for the fiscal year ended March 31, 2015 with management and Lumsden & McCormick, LLP (L&M), the Foundation's independent auditor. The Committee also concluded that L&M's provision of non-audit services, including tax preparation, is compatible with L&M's independence. The audited financial statements follow.

The Board of Directors
Chautauqua Foundation, Inc.

We have audited the accompanying statements of financial position of Chautauqua Foundation, Inc. (the Foundation) as of March 31, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of March 31, 2015 and 2014 and the changes in its net assets and cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

1. Summary of Significant Accounting Policies:

Organization and Purpose:
Chautauqua Foundation, Inc. (the Foundation) was established in 1937 to raise, invest and reinvest funds to support the mission of Chautauqua Institution (the Institution) to provide cultural, educational, religious and other programs to a large and diverse audience.

Basis of Presentation:
The Foundation reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets represent cumulative losses of investments on a fund by fund basis.

Temporarily restricted net assets may be spent when relevant stipulations are met.

Essentially all contributions are recorded as restricted since they are received with donor stipulations that limit their use. When a donor restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets must be maintained in perpetuity. They are defined as follows:
- Specified funds – use of income is specified by the donor to a specific purpose of the Institution.
- Unspecified funds – use of income is unspecified as to purpose and may be used as the Institution determines.

Cash:
At various times, cash in financial institutions may exceed federally insured limits and subject the Foundation to concentrations of credit risk.

Investments:
Investments in marketable securities are stated at fair value as determined by quoted prices in active markets. Alternative investments include investments in partnerships whose holdings consist primarily of funds of funds, and investments in limited partnerships that are reported at “estimated capital balances” determined by the investment managers.

To satisfy its long-term rate of return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation and current yield. The Foundation targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Property and Equipment:
Property and equipment is stated at fair market value at the date of donation or acquisition cost, net of accumulated depreciation. Depreciation is provided over estimated useful lives using the straight-line method.

Spending From Permanently Restricted Endowment:
The Foundation’s spending policy for direct and indirect support to the Institution as well as for Foundation general and administrative expenses, applies to permanently restricted endowment funds. Eligible spending can range from 3% to 6.5% of the beginning of year market value of the Foundation’s permanent endowment based on a formula.

Payable to the Institution for Program Support:
Program support payable to the Institution is for the benefit of the Institution and determined by mutual agreement between the Institution and the Foundation pursuant to the Foundation’s spending policy guidelines.

Promises to Give:
Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows. The discounts on those amounts are computed using an interest rate applicable to the year in which the promise is received. Amortization of the discount is included in contributions revenue in the statements of activities. Conditional promises to give to the Foundation or the Institution are not recorded as revenue until such time as the conditions are substantially met, and totaled $31,247,000 and $32,041,000 at March 31, 2015 and 2014.

Tax Status:
The Foundation is a 501(c)(3) corporation exempt from income taxes under Section 501(a) of the Internal Revenue Code. The Foundation believes it is no longer subject to examination by Federal and State taxing authorities for years prior to 2012.

Use of Estimates:
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Subsequent Events:
The Foundation has evaluated events and transactions for potential recognition or disclosure through June 19, 2015, the date the financial statements were available to be issued.

6. Other Transactions with the Institution:
Pursuant to an agreement between the Foundation and the Institution, the Foundation reimburses the Institution regularly for various personnel and administrative expenses. Additionally, the Foundation was reimbursed $350,000 in 2015 and 2014 by the Institution for development services the Foundation provided to the Institution. These amounts are included as a reduction of 2015 and 2014 development expenses in the accompanying statements of activities.

The Foundation guaranteed a promissory note payable by the Institution totaling $858,919 at March 31, 2015. Amounts held by the Foundation on behalf of the Institution to help repay the note totaled $628,283 and $765,379 at March 31, 2015 and 2014.

7. Net Assets:
At March 31, 2015 and 2014, the market value of certain endowment funds was $116,492 and $149,276 lower than the original gifted values due to investment experience. These amounts are reflected in the statements of financial position as negative unrestricted net assets.

Temporarily restricted net assets are comprised of income and gifts restricted for the following purposes:

<table>
<thead>
<tr>
<th></th>
<th>2015</th>
<th>2014</th>
</tr>
</thead>
<tbody>
<tr>
<td>Gains - specified endowments</td>
<td>$7,418,091</td>

<td>$5,182,032</td>
</tr>
<tr>
<td></td>
<td>$16,096,780</td>
<td>$16,360,502</td>
</tr>
</tbody>
</table>

Permanently restricted net assets have been restricted by donors to be maintained by the Foundation in perpetuity. The Foundation’s Board has interpreted the New York State Prudent Management of Institutional Funds Act (NYPMiFA) as requiring the preservation of the fair value of the original gift as of the gift date of donor endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of a donor gift instrument at the time the accumulation is added to the fund.

Any remaining portion of donor restricted endowment funds not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by NYPMiFA. In accordance with NYPMiFA, the Foundation considers the following factors to appropriate or accumulate donor restricted endowment funds:

- Duration and preservation of the fund
- Purposes of the Foundation and the fund
- General economic conditions
- Possible effects of inflation and deflation
- Expected total return from income and appreciation of investments
- Other Foundation resources
- Where appropriate and circumstances would otherwise warrant, alternatives to expenditure of the endowment fund, giving due consideration to the effect that such alternatives may have on the Foundation
- Investment policy of the Foundation

Permanently restricted net assets are comprised of the following endowment gift categories:

<table>
<thead>
<tr>

<th>2015</th>

<tbody>
<tr>

<tr>

</tr>
</tbody>
</table>

8. Retirement Plan:
The Foundation participates in a 403(b) retirement plan for substantially all employees, subject to plan conditions. The Foundation contributes 10% of the employee’s gross pay each year. Funded contributions and costs totaled $80,000 and $70,000 for the years ended March 31, 2015 and 2014.

9. Fair Value Measurements:
Investments in marketable securities are measured at fair value on a recurring basis on the statements of financial position. The fair value for marketable securities at March 31, 2015 and 2014 were determined based on quoted prices in active markets.

We have audited the financial statements of Chautauqua Foundation, Inc. as of and for the years ended March 31, 2015 and 2014 and have issued our report thereon dated June 19, 2015 which expressed an unmodified opinion on those financial statements. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of expenses for the years ended March 31, 2015 and 2014 are presented for the purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

June 19, 2015
This past year Larry and Carol Rizzolo established the Rizzolo Family Fund, an endowment that supports a part of the Chautauqua experience that is dear to their hearts — the Piano Program of the School of Music.

Carol and Larry are passionate Chautauquans who spent time getting to know John Milbauer and Nikki Melville, the piano program’s interim co-chairs. Their admiration for the duo grew quickly. When the Rizzolos learned that one of the ways to make a transformational gift to the Institution could be through the donation of property, it quickly began a family conversation about philanthropy and giving back. Carol and Larry, along with their three sons who jointly owned their Chautauqua condo, decided that it was their time to make this important gift to a community that has meant so much to them. They also knew immediately that they wanted their gift to support the Piano Program.

The Rizzolo Family Fund, established with the proceeds from the sale of the family condo, will provide necessary support for young artists that come to Chautauqua each summer to hone their craft and pursue their dreams. Carol and Larry are settling in to their new home on the grounds and are looking forward to witnessing the impact their gift has each year. They also hope that others will consider creative ways of making a gift to support the Chautauqua experience.

Elaine Yadwin Rieser first came to Chautauqua in the 1980s, where she would subsequently meet the man who would become her second husband, the late Richard Rieser. Chautauqua Institution President, Dan Bratton, married them in the Hall of Philosophy in 1987. Elaine was an ardent attendee of Chautauqua Theater productions, CSO concerts, and morning and afternoon lectures. She was also a member of the Chautauqua Women’s Club. As a member of the Eleanor B. Daugherty Society, Elaine specified that her bequest be used for unrestricted endowment.

“Elaine Rieser was a spirited member of the Chautauqua community who thought deeply about the challenging topics discussed here,” says President Tom Becker. “She made a promise to Chautauqua, and her legacy gifts to the Challenge Campaign and the Promise Campaign now total well over $2 million, which will be used to continue the kind of engaging programming in education and the arts that Elaine appreciated.”
The following donors have contributed $10,000 or more to the endowment of the Chautauqua Foundation. We thank them for perpetuating the idea and place of Chautauqua. These totals include gifts received, pledged, transferred to the pooled life income fund and certain planned gift commitments made since May 1937.

New donors are denoted with orange and changes in giving levels are denoted with a green dot.

2015 MEMORIAL GIFTS

2015 HONORARY GIFTS
Arthur Duffy, a metallurgical researcher turned real estate investor, and his wife Shirley, a former teacher, have been coming to Chautauqua from their home in Cleveland for many years — so many years they don’t quite remember the exact season when it became obvious that they needed to buy a house on the grounds. Their grandchildren, children, and the many friends they have introduced to Chautauqua over the years all seemed to want to visit in different weeks, and suddenly it made more sense to own a home than rent for just a few weeks.

“We think Chautauqua is such an enriching experience,” says Art, “the programming is outstanding.” But with Art’s ever-growing love of the guitar — taking up the classical guitar at age 82 — the Duffys decided they wanted to enrich the musical offerings at Chautauqua. “We thought there was a hole in the music program,” Art explains. “We think the classical repertoire for guitar is so rich and harmonious.”

The pre-eminent American guitarist Sharon Isbin took the stage in the Amphitheater on July 1, 2015 in the first solo performance by a single instrumentalist playing the guitar in the Institution’s history. Her performance was funded by a new endowment established by Art and Shirley this past year. Isbin is the director of the guitar department at the Aspen Music Festival, founder of the guitar department at The Juilliard School, and is a multiple Grammy Award winner. She began studying guitar at age nine and has performed around the world with more than 170 orchestras. She has commissioned more concerti than any living guitarist.

The initiative taken by the Duffys will supplement musical programming in subsequent years by inviting classical guitarists to play with the Music School Festival Orchestra, the Chautauqua Symphony Orchestra and other opportunities as they arise.
The Eleanor B. Daugherty Society was established to honor those individuals who have remembered Chautauqua in their estate plans through a bequest intention, a life income arrangement, a gift of real estate, as beneficiary of an IRA, or trust. The Society was named in honor of the late Eleanor B. Daugherty, a Chautauquan and retired music teacher from Buffalo, New York, who left a major bequest to Chautauqua.

New Society members are highlighted in orange.
