

2017 MEMBERSHIP

When you become a Symphony Patron your membership gift will be used to endow the Chautauqua Symphony Orchestra (CSO). Income from the endowment exclusively supports symphonic music at Chautauqua for this and future Chautauqua seasons.

Your gift provides reserved seating in the Amphitheater for all scheduled events unless noted as excluded on the program listing. When teamed with your gate pass, a \$75 gift to the Symphony Patrons Fund entitles you to one (1) ticket in the reserved section of the Amphitheater.

Seats in the reserved section are held until the end of the first movement or selection of the evening's program. Seats for ballet or opera performances with the CSO are held until the concertmaster begins to tune. Symphony Patrons may request up to six (6) one-time-use guest tickets for the season.

For information on how you can build endowment with a gift from your estate, during your lifetime, or in combination, email or call Dustin Nelson, J.D., Director of Gift Planning, at dnelson@ciweb.org or 716-357-6409
