ARCHITECTURAL REVIEW BOARD MEETING NOTIFICATION

Dear Chautauquan,

The owner of 45 Wiley (Timothy Mattocks) in the Neighborhood Traditional District is coming before the Architectural Review Board with plans to construct a temporary seasonal canvas covered car port over the driveway on the left side of the house (from the front face). The proposed enclosure would encroach upon the left (easterly) side yard setback. Therefore, this project requires an Architectural Review Board review.

Variations/Requests being considered:

1. To encroach upon the 10' left (easterly) side-yard setback with a temporary seasonal (fall/winter/spring) canvas car port system; (ALU 4.4.6)
2. Any other variations or special requests that are required and discovered in the process of review and discussion of the proposed project.

You are receiving this notification because your property is within 150' of the proposed project site.

Plans for this project may be reviewed in the office of the Administrator of Architectural and Land Use Regulations in the Colonnade Building or online at <https://chq.org/about-us/property-construction-resources#arb-notice-minutes>.

The Architectural Review Board will meet on Thursday February 4, 2021 at **12:00 PM** via Zoom conference. See instructions for joining this conference below. Please submit any comments that you may have in writing for the Architectural Review Board's consideration. E-mails are preferred and may be submitted to arb@ciweb.org until 12:00 noon on February 3, 2021.
