Title: Princesse and the Pince

School: CLCS - 3rd Grade

SETTING: A land far far away

PROBLEM: Prince & Princess are kissing

(Princess fetches water from a fountain)

PRINCESS (Whistles): It is sure a beautiful day! I can't wait to drink this tasty water!

(whistles on her way back to the castle and meets the prince)

PRINCE: I'm madly in love with you!

PRINCESS: I am too!

PRINCE: We must get married right now!

PRINCESS: Not right now, we shall kiss

(They kiss for hours and hours and hours)

(Princess goes to castle)

KING: (yelling) Why did you take so long fetching the water? I almost dropped dead from dehydration!

QUEEN: Go to your room! You almost killed your father! You will have no supper or water for 2 hours!

PRINCESS: (in her room) (sees the prince climbing up) Go back down! I can't be seen with you anymore!

PRINCE: I don't want to! I'm not leaving!

KING: (walks in to apologize and sees the prince) Guards! Seize him! Lock him in the dungeon! Half of you get the Prince! The other half, lock the princess in a cell!

PRINCESS: (in cell, crying for food) Help! Help! I need food! I promise I will never see that smuggling prince again!

PRINCE: (gets put in a guillotine)

(Prince is killed)

PRINCESS: (heart broken): Dad, you killed him, now you must kill me!

KING: (told guards to fetch the jagger)

QUEEN: No! Don't DO that!

KING: (Told guards to fetch flowers for a beautiful ceremony for the prince)
