

# Quest of the Crystal

by Richie Lyon

**Setting:** Several places in the World of Selmor

**Characters:** Cam (a human), Soo (a tree elf), Fee (a thief), Moe (a bridge troll), Ryan (a giant), Narrator, and Mom

**Problem:** There's a crystal that can destroy the world

SCENE I: Woods

**Narrator:** There was once a legend about a crystal that could destroy the world. The prophecy told that a great hero would stop it.

**Cam:** Bye, mom.

**Mom:** Bye, Cam. Be back by dark.

**Cam:** Okay, Mom.

**Narrator:** Cam went outside to get stones for his sling shot.

**Tree elf:** Hi.

**Cam:** Who are you?

**Tree elf:** I am a tree elf.

**Cam:** My name is Cam.

**Tree elf:** Cam, the prophecy told that you would defeat the giant and stop the crystal.

**Cam:** Where do I need to go?

**Tree elf:** The prophecy told that you will journey through the deep woods, desert, and into the cave.

SCENE II: Deep woods

**Tree elf:** By the way, my name is Soo.

**Cam:** Nice to meet you, Soo. But one problem, do you know where we are?

**Soo:** Ummm... No.

**Cam:** Great, some prophecy this is.

**Soo:** Well I am not the hero here.

**Cam:** You are the guide. Aren't you supposed to know where to go?

**Soo:** I am a tree elf. I could climb a tree!

**Cam:** Why didn't you say so?

**Soo:** *(climbs the tree)*

*(shouting)* About 20 minutes south!

**Cam:** I forgot my compass. Which way is south?

**Soo:** *(Soo climbs down)*

*(pointing)* That way, hero!

SCENE III: Leaving woods, entering desert

**Cam:** It's so hot!

**Soo:** Duh, it's a desert!

**Cam:** Oh. I thought you said dessert!

**Soo:** Haha, very funny.

*(Cam and Soo continue walking in the desert)*

**Cam:** Hey, is that someone watching us?

**Soo:** *(Squinting)* I think you are right.

**Cam:** I wonder what she is doing standing around in the desert.

**Soo:** Let's find out. *(waving)* Hey! Over here!

*(Enter Fee)*

**Fee:** Hi. My name is Fee. What are you guys doing in the desert?

**Soo:** We are on our way to save the world!

**Fee:** *(Staring at Cam's pocket)* Is that a sling shot?

**Cam:** *(Holding up slingshot)* Yes it is.

**Fee:** *(Grabbing slingshot)* Well, got to go!

*(Running)*

**Cam:** Hey, come back here you thief!

*(Cam and Soo chase Fee through the desert and come upon a rope bridge. Fee crosses the bridge.)*

*(Enter Moe)*

**Moe:** You cannot cross my bridge without paying the toll of three gold coins.

**Soo:** How are we going to get across?

**Cam:** I don't suppose you have three gold coins.

**Soo:** Would I ask how we are going to get across if I had three gold coins?

**Moe:** Any day now. I want my money.

**Cam:** We don't have any money.

**Moe:** Then I guess you are not going across.

**Cam:** *(Cam and Soo huddle up and whisper)*

I have a plan.

**Soo:** Oh good, can't wait to hear this.

**Cam:** This calls for some trickery. Just follow my lead.

*(Cam and Soo return to the bridge)*

**Cam:** Before we pay you, we want to test your bridge to make sure it is safe.

**Moe:** Alright. But you better hurry up about it.

*(Cam and Soo cross half way and bounce on the bridge)*

**Cam:** I don't think this is safe.

**Moe:** Sure it is. Come back and give me my money.

**Cam:** I think we should test the other half.

**Moe:** Hurry up.

*(Cam and Soo walk the rest of the way and take off running)*

**Moe:** *(Shouting)* Come back here, you still owe me my money!

**Cam:** Wow, that was close!

**Soo:** When you said we needed to test the safety, I thought you meant it.

**Cam:** Hey, I think I see that thief Fee up ahead.

*(Cam and Soo go running after Fee)*

*(Cam tackles Fee)*

**Soo:** Hyobok Nukx.

*(Vine come up from the ground and hold Fee)*

**Cam:** I will be taking back my slingshot now.

**Fee:** *(Screaming)* Okay, okay! Just get these vines off me!

*(Cam takes slingshot back and the vines go away)*

**Fee:** I am getting out of here *(runs away)*

**Soo:** Hey, that looks like the cave in the prophecy!

*(Cam and Soo walk into the cave)*

*(Thump, thump, thump!)*

**Cam:** What is that thumping noise?

**Soo:** Um, I think that is the giant.

**Cam:** GIANT?! No one ever said anything about a giant.

**Soo:** I did not say this was going to be easy, either.

*(Enter Ryan)*

**Cam:** Yup. That is a giant. Let's just find this crystal and get out of here.

*(Cam and Soo hide behind a boulder)*

**Ryan:** Me smell tiny human.

**Cam:** *(Gulp)*

**Ryan:** *(Tilts the boulder they are hiding behind)* There you are, just in time for lunch.

*(Cam and Soo take off running and come to dead end in the cave)*

**Soo:** *(Looking around)* There is the crystal alter!

*(Enter Ryan)*

**Ryan:** Tiny human cannot go by my crystal.

**Cam:** Well, here goes nothing.

*(Cam puts rock into sling shot and shoots)*

*(Ryan falls unconscious)*

**Cam:** Timber.

**Soo:** Nice shooting. Let's now finish the job. Destroy the crystal.

*(Cam runs to crystal and smashes it on the ground)*

SCENE IV: Still in the crystal cave

**Soo:** Congratulations, you have saved the world.

**Cam:** Thanks, but can we go home now? I have to get home or my mom is going to be mad.

*(Five days after)*

**Mom:** Where have you been?

**Cam:** Out saving the world.

**Mom:** Cam. Cam. CAM!

*(Cam sits up in bed)*

**Cam:** *(in bed)* It was all a dream.

*(Something in Cam's pocket pokes him)*

Ouch!

*(Cam pulls a piece of the crystal out of his pocket)*

Or was it...

**THE END**
