**Barry:** The bananas just got ripe! I'll just...

**Banana:** (*High voice*) Woah, woah! Don't eat me!

**Barry:** Why not?

**Banana:** Because.

**Barry:** Because why?

**Banana:** (*Makes his face go green*) I'm not even ripe yet!

**Barry:** You were just yellow though!

**Banana:** I'm de-aging.

**Barry:** (*Walks out to the living room*) The bananas were talking, Dad!

**Dad:** Did you try out for the play again?

**Barry:** No! The bananas were talking!

**Dad:** Bananas don't talk!

**Barry:** (*Walks back out to the kitchen*)

(*Yelling*) My puzzle! That banana is probably guilty! Where is it?

**Banana:** (*Sneaky voice*) he, he, he

**Barry:** Aha! There you are. I'm going to eat you!

**Banana:** No you're not. I have brothers.

*(High voices)*

**Banana brothers:** Hi-ya!

**Barry:** Ow!

**All bananas:** he, he, he

**Banana:** Baboon face!

**Barry:** Hey! Yum *(eats the banana then goes into the living room)* Dad, the bananas wrecked my puzzle.

**Dad:** Bananas only go in your mouth, nothing else!

**Barry:** But, Dad...

**Dad:** Don't 'but' me. Go to bed and rest!

**Barry:** *(Goes to bed and sleeps)*

*(Yawns)* Why are all these bananas in my bed?!

**Banana Army:** *(Chant)* Where is Steve? Where is Steve? Where is Steve?

**Barry:** Who is Steve? Is he that stupid banana?

**Banana Army:** Yes!

**Banana General:** Attack!

**Banana Army:** Fling! Hi-ya! Fling! Hi-ya!

**Dad:** Barry, get ready for school!

**Barry:** I would if I wasn't being pelted by bananas!

**Dad:** Don't start that again.

**Barry:** Really bananas? I'm going to eat you all if you don't stop!

**Banana General:** Halt! Retreat!

**Barry:** Too late! I'm on an only banana diet! *(Munch, Munch)* Yum!

**Everybody:** Moral: never eat a talking banana because aliens don't wear hats.
