Join CDC: Support our Dancers and the Future of Dance

The **Chautauqua Dance Circle (CDC)** is a supportive, enthusiastic group of dance lovers. While our primary mission is to raise money for dance scholarships, we also support the dance companies that perform during the season, and advocate for the dance school. We strive to enhance your appreciation of dance and keep your dance card full during your Chautauqua stay.

Chautauqua Dance Circle's yearly membership revenue provides vitally needed dance scholarship support. Scholarships are critical to attract the nation's most promising young dancers to Chautauqua's School of Dance. At the end of each year, approximately 90 percent of your contributions are presented to Chautauqua Institution, designated **Chautauqua Dance Circle — Dance Scholarship**. This year, we gave the Institution \$20,000!

Again this season, we are sponsoring our popular **Pre-performance Lectures**. Insights from choreographers, company directors, dancers and, possibly, conductors will enhance your enjoyment of this season's dance performances.

We have two exciting **Views on Pointe** lectures scheduled during the weeks when dance companies are not in residence. Attend one of our **Inside Chautauqua Dance Studios** sessions to observe rehearsals or master classes up close in the Dance Studios or the Amphitheater.

"My time at Chautauqua has been so challenging and so rewarding. Thank you for making my dreams a reality!"

—Festival Dancer

"Chautauqua Institution is grateful to the CDC for its support in fostering excellence in dance training, making the Chautauqua School of Dance accessible to students from all walks of life and economic realities. Not only are you paving the way for future Patricia McBrides and Jean-Pierre Bonnefoux, but you are also role models in service and leadership for all Chautauquans."

—Michael E. Hill
President, Chautauqua Institution

"CDC is an important part of dance at Chautauqua. CDC gives needed scholarship funds to our student dance program, and provides superior dance educational programming to the Chautauqua community."

—Jean-Pierre Bonnefoux
Artistic Director, Chautauqua School of Dance
