WHAT TO BRING

You will need to bring at least two blankets, two twin sheets, two pillowcases, towels and washcloths. (Pillows are provided for you, but you may want to bring your own.) Other items to consider include mattress pads, lamp, throw rugs and comforter. Linens are not provided — please pack accordingly!

Because we are located on a lake, the evenings can be cool; therefore, an extra blanket and warm clothing are a must. (Daytime temps during the summer range from 70–90 degrees Fahrenheit. Night temps are 50–70 degrees.)

Dorm rooms **do not have air conditioning**. You may bring an AC unit if you have a medical reason. Please bring a **fan** to make you more comfortable on hot days and/or nights. We do have a number fans available to loan out if needed. First come, first served.

Most rooms in Bellinger Hall and Lincoln Dorm are **doubles**; however, some rooms are **triples** and **quads**. Each room contains two standard-size twin beds (unless the room is a triple or a quad), two desks, two wardrobes/closets, and is connected to another room by a bathroom with two sinks, toilet and a shower.

There are four coin-operated **washers and dryers** in the basement of Bellinger Hall north wing. There is a change machine available as well.

Small fridges are allowed in the dorm rooms, but keep them small, as space is limited! No microwaves allowed. Please be aware that we do not have cable hookup in the rooms.

RESIDENCE HALL INFORMATION

The Chautauqua Schools of Performing and Visual Arts offers two housing facilities, Bellinger Hall and Lincoln Dorm. Lincoln Dorm is a women-only facility, and Bellinger Hall has a men-only wing, two women-only wings and one coed wing. You may indicate your preference on your registration forms that you receive once admitted into the schools.

Residents are responsible for the cleanliness of their own rooms and are expected to cooperate in keeping public areas free of litter. Cleaning equipment is available in central locations of the dormitories. Cleaning personnel are employed to help with the general cleanliness of bathrooms, corridors, lounges and community areas. This is not a maid service!

Security/Room Deposit

The \$100 security deposit is a placeholder for a student's room and is refundable in full if space is no longer available when the deposit is received. Part or all of the deposit is returned to the student in September, following a final inspection for any or all damages

incurred in the dorm room, regardless of responsible party, as well as area of study (i.e., music not returned, books not returned to the School of Art, etc.)

Residence Hall supervision is provided by RAs who live in the residence halls and who have authority to enforce Institution policies and regulations. Students enjoy a high degree of personal freedom and responsibility because Chautauqua is a self-contained village. The 230-acre grounds are entered through monitored gates. Chautauqua maintains 24-hour security, which enforces Institution rules, as well as local, state and federal laws.

Keys

Counselors will issue keys upon check-in. Bellinger Hall keys are swipe cards, Lincoln Dorm keys are actual keys.

Room changes will be allowed during the first week only! *You must notify Sarah Malinoski-Umberger, Manager of Schools of Performing and Visual Arts, and Brad Nunn, Director of Residence Halls, in order to change. We need to know which room everyone is in for safety reasons.*

MEDICAL INFORMATION

In addition to the registered nurse who keeps office hours in Bellinger Hall during the summer, we also have the Westfield Hospital Chautauqua Health Care Clinic, located on the grounds of Chautauqua Institution, which offers basic medical care for children and adults, similar to that provided in a doctor's office. The center offers treatments for minor medical emergencies and provides wellness services such as health checkups, allergy shots, prescriptions, etc., plus free blood pressure screening. The clinic is located at 21 Roberts Ave., near the Amphitheater, and is open Monday–Friday 8:30 to 11:30 a.m. and 12:30 to 4 p.m. during the

summer season (716-357-3209). For all emergencies that require further attention, Chautauqua Institution is located about 10 miles from Westfield Memorial Hospital (716-326-4921), about 15 miles from WCA Hospital in Jamestown (716-487-0141), and about 35 miles from St. Vincent (814-452-5000) and Hamot Medical Center (814-877-6000), both located in Erie, Pennsylvania. All costs incurred by a medical visit to either the clinic or to a hospital will be at the expense of the student. The main office in Bellinger Hall will be happy to assist any student in making an appointment to the clinic or if a student needs a ride to a nearby hospital.

MEAL PLANS

All students who live in Bellinger Hall and Lincoln Dorm will automatically be enrolled in our full meal plan. This plan includes breakfast, lunch and dinner, seven days a week. There is no option to opt out of the meal plan.

The food service in Bellinger Hall operates very much like a food court. Because we are using the food court setup, there will be vegetarian offerings at every meal for any student.

There are no cooking or food storage facilities in the dormitory.

If you have questions on our food service or its offerings, please contact us and we'll do our best to help you. You may bring a mini-fridge to keep in your room.

Meal hours (subject to change):

Breakfast..... 7:30–9:30 a.m.
Lunch 11:30 a.m.–1:30 p.m.
Dinner..... 5:30–7:30 p.m.

GATE PASS INFORMATION

All students must have a gate pass, which allows entrance to and exit from the Chautauqua Institution grounds and permits free admission to all performances in the Amphitheater, including popular entertainment acts, symphony, dance and the distinguished lecture series. Full-term students receive their gate pass as a part of tuition and fees. Gate passes are distributed to full-term students at registration. All student gate passes are required to have photo ID. The pass also doubles as the student's meal pass. Gate passes are the "lifeline" to Chautauqua! Students should carry the gate pass with them at all times. Please see Sarah Malinoski-Umberger if you lose it.

Resident guest passes are available to Chautauqua residents and students for entertaining their friends on the grounds. They are not valid for Amphitheater entry.

RGPs are \$3 apiece

RGPs may be ordered by any resident or student holding a long-term gate ticket. The gate ticket must be presented when ordering an RGP.

Ticket holders who do not reside on the grounds may not purchase resident guest passes.

RGPs are valid for six hours between the hours of: **11:30 a.m. and 12 midnight Monday to Thursday, 11:30 a.m. to 2 pm Friday ONLY and 8 a.m. and midnight on Saturday.**

RGPs cannot be combined with an overnight pass or any other long-term ticket. They are not valid for overnight. RGPs cannot be purchased for the same person two days in a row. RGPs are non-refundable and non exchangeable. A maximum of 6 RGPs may be ordered for any one day. RGPs must be ordered and paid for in advance by the student. **All passes must be left for pick-up at the Main Gate Will Call office. ONLY THE INTENDED USER MAY PICK-UP the RGP (ID required for pick-up).**

Passes are available for purchase at either the Main Gate Welcome Center or the Visitors Center. Call 716-357-6250 for information.

PARKING

Chautauqua is a self-contained, walking community with shopping, a bookstore, mail and other services conveniently located within the grounds. Besides hosting the Schools of Performing and Visual Arts, Chautauqua Institution is a resort, designed as a center for a learning vacation. The use of automobiles within the grounds is highly restricted because of the narrow, Victorian streets and concern that the noise of traffic would distract those attending activities held in outdoor facilities.

Bicycles are a popular form of transportation; however, it is advisable to bring a bicycle lock. Bicycles may be rented (not cheap for long-term rentals) from Jamestown Cycle Shop's Chautauqua location (716-357-9032).

Parking is available in protected lots adjacent to the grounds. There is a courtesy bus service within the Chautauqua grounds. If you are planning to keep a vehicle here during the summer, we advise you to purchase your parking permit in advance by filling out the parking permit form which will be emailed to you in the spring. **Doing this in advance will save you a lot of time — we can't stress this enough!** Your permit will be given to you at registration if you order in advance. Parking permits may also be obtained upon arrival at the Main Gate Ticket Office.

Parking tickets will be issued to those who do not park in their designated spot. If problem persists, the vehicle will be towed and/or confiscated at the owner's expense.

Parking Permit Rates:

7 Weeks: **\$85** (music, art and dance)

8 Weeks: **\$90** (theater company)

RULES AND REGULATIONS

Because of the short, intense nature of Chautauqua Institution's summer training in the arts, students who cannot function within our simple, common-sense rules or who are keeping other students from the safe and complete enjoyment of their summer study and are in violation of any rules or regulations could result in disciplinary action up to and including dismissal from the program without refunds. In the event that a student has left the program by reason of a violation of Institution policies, the Institution reserves the right to refuse re-entry into the program in any subsequent year.

Specific Prohibitions

The following specific prohibitions apply to all of Chautauqua's Summer School students:

Electrical heaters, hot plates and other electrical cooking appliances: They are a fire hazard. These and any open-flamed objects, such as a candle, are prohibited.

Pets: Prohibited in all residence halls, buildings owned by the institution, and from public buildings.

Alcohol: The possession or consumption of alcoholic beverages is prohibited in Institution buildings (including residence halls) and in public on Institution grounds. The provision (providing) of alcohol to a minor will result in immediate dismissal from the program. The student must vacate the grounds within 24 hours and their gate pass will be taken. According to NYS law, the student can also be charged and arrested. Underage students who are caught drinking may also be charged under NYS law.

Under 21

First Offense: Student may be removed from the program, asked to vacate the grounds within 24 hours and gate pass will be taken.

Overnight Visitation: No other student, family member or other guest may spend the night in a student's residence hall room. No exceptions. \$100 caution deposit may be kept if violated.

Rules for Students 18 and Older

- Quiet hours are observed throughout the grounds beginning at 11 p.m. until 8 a.m.
- Students or guests 18 and older are not permitted in rooms with any student ages 17 or younger.
- If leaving the grounds for an extended period of time, it is advisable to notify your counselor and the main office.

Rules for Students Under 18

- Students or guests under 18 are not permitted in rooms with any student ages 18 or older.
- Students under 18 living in residence halls may not leave the Chautauqua grounds without permission from parents. This requires written permission to the Head Counselor. Students are then required to sign out, indicating their destination and expected hour of return. They must also sign in upon return. This is to ensure the safety of our students.

CURFEW is assigned by age, not by room assignment, and is applied to **all students ages 17 and younger and to all dancers.**

Curfew Hours:

- 11 p.m. (Sunday–Friday) any student under the age of 18
- 12 a.m. (Saturday) any student under the age of 18
- 10 p.m. (seven days a week) for **all** Workshop 1 and 2 dancers
- 11 p.m. (seven days a week) for **all** Festival and Apprentice dance (Specific programs/teachers reserve the right to modify these times depending on program needs or requirements.)

These curfews are enforced for the safety of all students staying in Chautauqua's residence halls.

Part of the Institution's responsibility for the supervision of residence halls is a responsibility for student health and safety as well as protection of property. To this end, periodic inspections of public and private areas of residence halls are conducted. Whenever possible, inspection of a student's room is done with a student present and involves sighting the interior of the room. This allows the resident to become aware of safety issues within his/her room.
