MISSION STATEMENT

Adopted by the Chautauqua Foundation Board of Directors August 13, 1992.

Chautauqua Foundation, Inc., is the principal organization responsible for the philanthropic funding of the Chautauqua Institution. In this role it will:

Develop and maintain programs, products and vehicles appropriate to the philanthropic needs of the Institution as determined by the Board of Trustees and the Administration.

Assure fiduciary care in the investment, custody and administration of funds raised.

Disburse funds to the Chautauqua Institution in compliance with the Chautauqua Foundation Articles of Incorporation and the requirements imposed by donors.

Develop and maintain a competent and active Board of Directors and other volunteers as appropriate.

Develop, maintain and direct a professional staff appropriate to carry out the above responsibilities.

In the discharge of its responsibilities, the Chautauqua Foundation will be guided by the Chautauqua Challenge as adopted by the Board of Trustees. The Foundation will be dedicated to quality and integrity in all of its internal and external relationships. The Foundation will anticipate and accept change while maintaining an understanding and appreciation of the history of the Chautauqua Institution in general and the Foundation in particular.
Dear friends,

We all get very wrapped up in the here and now and moving onto the next “big thing.” As we write this letter for the annual report during week seven of the 2017 season, we reflect on the affairs of the Foundation from April 1, 2016 to March 31, 2017 — the Foundation’s most recently completed fiscal year. We hope you will share our view that much was accomplished, indeed many “big things” were accomplished for which we are grateful.

When the fiscal year began, only the most preliminary work had begun on the Amphitheater project, work that was halted for ten weeks during the 2016 season. The Foundation is proud of its role in facilitating this project both through providing bridge financing until pledge payments from donors are received and making available, as needed, unrestricted assets of the Foundation received from past philanthropy.

The Institution is the sole beneficiary of the Foundation and the directors embraced the Amphitheater project as critical to our beneficiary’s well-being. Having celebrated its opening on July 2, 2017 and witnessing it come to life this season, we share with all of you the excitement about the renewal of this space and what the Amphitheater means for the Institution’s and our community’s future.

Three-quarters of the way through the recent fiscal year brought to a close the Promise Campaign on December 31, 2016 with its stunning achievement of $103,500,000 raised in support of the objectives established by the Institution’s Board of Trustees in its 2010 strategic plan. This successful campaign concluded just nine years after the end of the Idea Campaign which raised $53 million. The Promise Campaign featured Chautauqua’s first gift of eight figures and between the Institution and the Foundation together, Chautauqua received seventeen (17) gifts of $1 million or more. Comparatively, the Foundation and Institution received seven (7) gifts of $1 million or more in the Idea Campaign.

In the last year of the Promise Campaign we were able
to increase the number of donors to the Chautauqua Fund over the prior year, stemming a five-year period of declining numbers in the Chautauqua Fund. Yet, in this past year — as in each year of the Campaign — the overall amount donated for annual support increased and the Promise Campaign objective of $22,000,000 of annual giving over these six years was exceeded.

When this fiscal year began, Tom Becker was in his final year as president of the Institution. We ended it with Michael Hill in that office. In addition, the Foundation had four members of its board serve on the presidential search committee. The Foundation was deeply involved in a series of events to honor Tom and Jane Becker for their many years of service to the community and oversaw the creation of an endowment fund bearing their name in the amount of $1.8 million to support programs in the Chautauqua Amphitheater. The Foundation also oversaw the introduction of Michael to Chautauquans with fourteen events hosted in seven states and Washington D.C.

When the year began, we were coming off disappointing investment results for fiscal year ’16. As you can read in this report, FY ’17 was a strong year and our willingness to be patient through the underperformance was rewarded. Two other data points of interest are that our spending from the Foundation equaled 5.4% of the opening market value of the endowment and that our cost of fundraising over the course of the Promise Campaign equaled 6.9 cents on each dollar raised. The latter is an industry leading result.

Finally, in the course of this fiscal year, we welcomed four new directors to the board replacing directors who chose to retire. Georgia Court and Dick Wade began four year terms and John Milos was appointed to one of the two slots on the Board required under the bylaws to be filled by a trustee of the Institution. Michael Hill became a director by reason of his position as president. With gratitude, we bade farewell to John Anderson, John Kobacker, Gary Brost, Jim Brady and Tom Becker for their Foundation board service.

We are excited about the new perspectives being brought to the Foundation’s work and we are grateful for the many contributions made by those who left the board.

And speaking of gratitude, we remain grateful to all Chautauquans who give of themselves to ensure that the on-going promise of Chautauqua is kept. Thank you.

Sincerely,

Cathy Bonner,
Chair, Board of Directors

Geof Follansbee,
Chief Executive Officer

**Five-Year Average Cost of Fundraising**

The costs of fundraising efforts performed by the Foundation on behalf of the Institution are reported in the Foundation’s audited financial statements. JANE AND TOM BECKER ENDOWMENT FOR AMPHITHEATER PROGRAMS

When Tom Becker announced that he would retire at the conclusion of 2016, Chautauqua’s leadership committed themselves to honoring Tom and Jane’s thirty-two years of service to the Foundation and Institution. Announced in October 2016 and backed with the generous support from the community, an endowment fund in their honor garnered commitments of $1.8 million. In honoring Tom and Jane Becker, a lead group of over fifty Chautauquans ensured that the contributions Jane and Tom made to the programmatic quality of the Institution will continue to be felt in the years to come.

The Jane and Tom Becker Endowment for Amphitheater Programs will underwrite lectures, performances or events taking place in the Amphitheater, providing enjoyment and inspiration for current and future audiences of Chautauquans. Additionally, the multi-purpose room on the third floor of the Susan Hirt Hagen Center at the Chautauqua Amphitheater has been named the Tom and Jane Becker Room. The room, with its stunning view of Chautauqua Lake, serves as the rehearsal room for the Motet Choir and will serve many Institution and community groups from the grounds and region for meetings and receptions.
Financial Overview
Net assets of the Foundation increased by more than $9 million in the fiscal year ended March 31, 2017 to $88.4 million and total assets reached $91.8 million. The total number of active endowment funds surpassed 700, the combined total of conditional and unconditional endowment contributions receivable increased by nearly $2 million, and the investment portfolio produced a gain of 11.2%.

Indeed it was a positive year financially for the Foundation. The challenge remains the same as so many other organizations are facing, which is how to maintain spending rates in such a low return market environment. The Finance and Investment Committees of the Foundation continue to meet jointly to deliver the maximum amount possible while being responsible to the long-term sustainability of the Foundation and the Institution.

Endowment Net Assets
The net asset balance of the 714 active endowment funds as of March 31, 2017 was $80.2 million. This balance represents the sum total of each endowment fund as of March 31, 2017. Endowment funds are comprised of board-designated, term, and permanently restricted endowments to be held in perpetuity for the benefit of the Institution. This chart represents the allocation of the total net asset balances of active endowment funds as of March 31, 2017 by area of support.

Support to the Institution
The Foundation’s spending includes direct and indirect support to the Institution, administrative costs of running the Foundation, and investment management fees. Indirect support represents the costs incurred by the Foundation in providing development services on behalf of the Institution. Direct support from the endowment represents distributions to the Institution toward the operating budget for both specified and unspecified purposes. The amount to be distributed from the endowment is determined annually by taking the prior year’s distribution and the prorata payout from new gifts received during the year and increasing that amount by an inflation factor. Additionally, in 2016 the decision to transfer an unrestricted gift treated as if it were endowment to the Institution for the Amphitheater project is reported as support from endowment. The amount to be distributed from temporarily restricted funds is determined annually by the donors and the Foundation.
Endowment Contributions Receivable

New pledges and planned gift intentions, when combined with the previously stated intentions of donors, create a pool of future assets in excess of $49.2 million as of March 31, 2017. The discounted value of unconditional contributions receivable recorded in the financial statements was $5 million as of March 31, 2017. Conditional contributions receivable are not recorded until such time as the conditions are substantially met. The Eleanor B. Daugherty Society recognizes donors during their lifetime who have chosen to support Chautauqua’s mission through a planned gift. Members are listed on pages 44 and 45.

The chart above depicts gross endowment contributions receivable in thousands.

Investment Summary

The Investment Committee regularly reviews investment policies, strategy, execution, and performance. Because asset allocation is the primary driver of a portfolio’s total return over the long run, comparison of performance is viewed in the context of the portfolio’s asset class holdings. The committee’s oversight responsibilities cover $87 million in invested assets, comprised of the following portfolios:

1) Endowment ($81.8 million)
2) Temporarily restricted ($1.5 million)
3) Pooled life income fund ($3.4 million)
4) Custodial ($0.3 million)

Each portfolio is managed according to its specific objectives, and has a unique asset allocation appropriate to those objectives. Investment performance is presented on a net basis, defined as total time weighted return after all investment management fees.

Hirtle, Callaghan & Co., LLC serves as the Foundation’s Chief Investment Advisor and actively manages the majority of the endowment portfolio, the temporarily restricted funds, and the custodial funds. The remaining portion of the endowment fund is invested in two funds of hedge funds, managed by Blackstone Alternative Asset Management and Pointer Management, LLC. The pooled life income fund is managed by Key Private Bank.

1) Individual endowment funds are pooled for investment purposes and tracked with unit accounting. This pooled approach enables endowment funds to collectively benefit from the diversification and efficiencies that are available to larger investors. Each endowment fund receives its proportionate share of return based on the market value of the endowment as a percentage of the total market value of the investment portfolio. Hirtle, Callaghan & Co., LLC manages $63.7 million of the endowment and $18.1 million of the endowment is invested in the two funds of hedge funds.

2) Temporarily restricted funds are held and managed separately from permanently restricted endowment in one of two portfolios, employing conservative investment strategies. One portfolio is primarily held in cash and the other portfolio is invested in bonds as well as cash.

3) The management and investment strategy of the pooled life income fund (PLIF) is reviewed annually with Key Private Bank. At March 31, 2017, 35% of the PLIF assets were invested in equities, 55% in fixed income assets and 10% in alternative investments.

4) Funds held in custody for the Institution to meet the debt service for the Turner Community Center had a market value of $340,954 as of March 31, 2017. Assets are invested in a series of certificates of deposits.

Endowment Investment Portfolio

This chart represents the endowment investment portfolio in thousands, which has grown by $42.4 million over the past 15 years, from $39.4 million as of March 31, 2002 to $81.8 million as of March 31, 2017.
Endowment Asset Allocation 2017

Total endowment portfolio market value was $81.8 million and as of March 31, 2017 was allocated as shown in the accompanying table.

Annual Fiscal Year Performance

The Investment Committee takes a long term approach, over full market cycles, to assess the performance of the portfolio. The fiscal year ended March 31, 2017 produced a gain of 11.2%. The 10-year return surpassed the diversified benchmark in each of the preceding 5 years. This benchmark is net of fees and is diversified based on the strategic allocation of the Russell 3000, MSCI EAFE, HFR Strategic and BarCap Aggregate Bond indices. The benchmark is currently weighted 30% Russell 3000, 30% MSCI EAFE, 20% HFR Strategic and 20% BarCap Aggregate Bond.

Management’s Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of March 31, 2017 and 2016 and the changes in its net assets and cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

1. Summary of Significant Accounting Policies:

Organization and Purpose:
Chautauqua Foundation, Inc. (the Foundation) was established in 1937 to raise, invest and reinvest funds to support the mission of Chautauqua Institution (the Institution) to provide cultural, educational, religious and other programs to a large and diverse audience.

Subsequent Events:
The Foundation has evaluated events and transactions for potential recognition or disclosure through June 20, 2017, the date the financial statements were available to be issued.

Cash:
At various times, cash in financial institutions may exceed federally insured limits and subject the Foundation to concentrations of credit risk.

Investments:
Investments in marketable securities are stated at fair value as determined by quoted prices in active markets. Alternative investments include investments in partnerships whose holdings consist primarily of funds of funds, and investments in limited partnerships that are reported at "estimated capital balances" determined by the investment managers.

To satisfy its long-term rate of return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation and current yield. The Foundation targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Property and Equipment:
Property and equipment is stated at fair market value at the date of donation or acquisition cost, net of accumulated depreciation. Depreciation is provided over estimated useful lives using the straight-line method.

Property held by the Foundation for which the intended use is not related to Foundation operations are included in other assets in the statements of financial position.

Contributions:
Contributions, including unconditional promises to give, are reported at fair value at the date received. Gifts are reported as restricted support if they are received with donor stipulations that limit their use. When a donor restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction.

Contributions that are expected to be collected in future years are recorded at net realizable value. The discounts on those amounts are computed using an interest rate applicable to the year in which the promise is received. Amortization of the discount is included in contributions revenue in the statements of activities.

Conditional promises to give to the Foundation or the Institution are not recorded as revenue until such time as the conditions are substantially met, and totaled $37,691,000 and $36,061,000 at March 31, 2017 and 2016.

Support to the Institution:
All Chautauqua Fund contributions are distributed to the Institution in the same year they are received by the Foundation. Annual distributions from the restricted endowment funds are made pursuant to the Foundation's spending policy guidelines and donor stipulations. All other distributions are made in accordance with donor restrictions and for purposes approved by the Foundation's Board.

Tax Status:
The Foundation is a 501(c)(3) corporation exempt from income taxes under Section 501(a) of the Internal Revenue Code.

Use of Estimates:
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

6. Other Transactions with the Institution:

Pursuant to an agreement between the Foundation and the Institution, the Foundation reimburses the Institution regularly for various personnel and administrative expenses. Additionally, the Foundation was reimbursed $350,000 in 2017 and 2016 by the Institution for development services the Foundation provided to the Institution. These amounts are included as a receivable in other assets and as a reduction of 2017 and 2016 development expenses in the accompanying statements of financial position and activities, respectively.

The Foundation guarantees a promissory note payable by the Institution totaling $452,870 at March 31, 2017. Amounts held by the Foundation on behalf of the Institution to help repay the note totaled $340,954 and $486,180 at March 31, 2017 and 2016.

On May 12, 2016, the Foundation obtained a $25,000,000 bank revolving credit note to facilitate financing the renovation of the Institution’s amphitheater. The note bears interest at the LIBOR flex rate plus 1%, and contains a covenant requiring the Foundation to maintain a minimum balance in marketable securities or cash of $25,000,000. Additionally, the Foundation provides a negative pledge on all of its assets, and the note is guaranteed by the Institution. No borrowings on the arrangement were outstanding at March 31, 2017.

Pursuant to a promissory note entered into between the Foundation and Institution, all amounts advanced under the bank revolving credit note for the benefit of the Institution will be repaid to the Foundation with interest at the Internal Revenue Service’s applicable federal rate for mid-term borrowings.

7. Net Assets:

Unrestricted net assets include board-designated endowments and unrestricted gifts available upon request by the Institution. From time to time the market value of certain endowment funds is lower than the original gifted values due to investment experience. These amounts are included in unrestricted net assets as underwater funds.
The composition of unrestricted net assets is as follows:

<table>
<thead>
<tr>
<th></th>
<th>2017</th>
<th>2016</th>
</tr>
</thead>
<tbody>
<tr>
<td>Board-designated endowments</td>
<td>$5,002,841</td>

<td>(1,622,137)</td>
</tr>
<tr>
<td></td>
<td>$5,732,516</td>
<td>$3,888,034</td>
</tr>
</tbody>
</table>

Temporarily restricted net assets are comprised of unappropriated endowment gains and restricted gifts as follows:

<table>
<thead>
<tr>
<th></th>
<th>2017</th>
<th>2016</th>
</tr>
</thead>
<tbody>
<tr>

</tr>
</tbody>
</table>

Permanently restricted net assets represent the accumulated principal of endowment gifts that have been restricted by donors to be maintained by the Foundation in perpetuity. Permanently restricted net assets are comprised of the following endowment gift categories:

<table>
<thead>
<tr>
<th></th>
<th>2017</th>

</tbody>

8. Retirement Plan:
The Foundation participates in a 403(b) retirement plan for substantially all employees, subject to plan conditions. The Foundation contributes 10% of the employee’s gross pay each year. Funded contributions and costs totaled $77,000 and $72,000 for the years ended March 31, 2017 and 2016.

9. Fair Value Measurements:
Investments in marketable securities are measured at fair value on a recurring basis on the statements of financial position. The fair value for marketable securities at March 31, 2017 and 2016 were determined based on quoted prices in active markets.

Note 10 continued on next page.

Every Gift Matters

DAN AND LINDA SILVERBERG

For Dan and Linda Silverberg, a gift to Chautauqua Institution is not a gift. For all the joy that they’ve been given by the Institution, they perceive each donation as a measure of reciprocal exchange. “There’s nothing that we can give to the Foundation or a fund or a program that would possibly amount to equal compensation for what we’re getting,” Linda said. “Philanthropy is paying it forward. It’s saying I’ve already received and now I can give back.”

The Silverbergs have already made special gifts in support of Chautauqua’s inter-arts programming as part of their contribution to the Promise Campaign, and through a planned gift, they will establish an endowment to help attract special guest artists to perform with the Chautauqua Symphony Orchestra, as well as continue their support of the inter-arts at Chautauqua.

Dan and Linda are both retired and find gratification as patrons of the arts. A particular artistic interest in glass and ceramics motivated their most recent gift to the Chautauqua community. Jun Kaneko, a Japanese ceramicist, considered to be the most preeminent in the world, is known for experimenting in repetitive abstract motifs. The Silverbergs have owned his work “Between You and Me” for some time, and made the gracious decision to gift this valuable piece of art to the Institution. The sculpture has found its new home in the patio area near the Susan Hirt Hagen Center at the Chautauqua Amphitheater.
10. Endowment Assets:
The Foundation’s endowment assets are comprised of board-designated endowment, term endowments and donor restricted endowments to be held in perpetuity. The Foundation has adopted investment and spending policies for endowment assets that attempt to provide returns sufficient to address the purposes of the assets over the long term. According to the Foundation’s spending policy for direct and indirect support to the Institution, as well as for Foundation general and administrative expenses, total spending typically ranges from 3% to 6.5% of the beginning of year market value of the Foundation’s endowment assets. Distributions from the board-designated endowment funds are made at the discretion of the Foundation’s Board.

The Foundation’s Board has interpreted the New York State Prudent Management of Institutional Funds Act (NYPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of donor endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of a donor gift instrument at the time the accumulation is added to the fund.

In accordance with NYPMIFA, the Foundation considers the following factors to appropriate or accumulate donor restricted endowment funds:

- Duration and preservation of the fund
- Purposes of the Foundation and the fund
- General economic conditions
- Possible effects of inflation and deflation
- Expected total return from income and appreciation of investments
- Other Foundation resources

Investment activity related to the board-designated endowment is shown as an increase (decrease) in unrestricted net assets. Investment income related to the donor-restricted and term endowments is reported as an increase (decrease) to temporarily restricted net assets until appropriated in accordance with the Foundation’s spending policy. The Foundation’s endowment assets activity for the years ended March 31, 2017 and 2016 is as follows:

Every Gift Matters

**AMPHITHEATER ENDOWMENT**

The generosity of Chautauquans, and friends and neighbors in Chautauqua County, funded the Amphitheater project as it has funded many of the initiatives undertaken in recent years. The renewal of the Amphitheater has and continues to require an outpouring of support beyond anything in Chautauqua’s history since the great depression.

As a statement of faith in Chautauqua’s leadership and of confidence in its future, donors responded to allow the $41.5 million building project to go forward and to begin to build a fund of $5 million to care for the facility. Ensuring that the Amphitheater remains a safe, functional, well-kept facility with the latest equipment and technology is imperative for the benefit of future generations of attendees. To that end, Chautauquans are being asked to build a fund designed to last in perpetuity to care for and maintain the Amphitheater in future years. To date several hundred Chautauquans have donated. Would it not be great if 1,000 members of the community contributed toward this worthy end?

Chautauqua is recognizing donors to the construction of the Amphitheater and its future preservation by inscribing their names on monuments set on limestone bases in the west plaza of the Amphitheater. All donors of $1,000 or more are eligible to be recognized. The monuments have been constructed to accommodate additional names in subsequent years and those who wish to contribute will be recognized in forthcoming years.

Additionally, the tradition of placing a plaque on an Amphitheater bench will continue and donors of $15,000 or more may have a plaque inscribed. Prior to the 2018 season, existing plaques that had been located on the back of Amphitheater benches along with any new plaques will be installed.
The Foundation expresses sincere appreciation to the many individuals, corporations, and foundations whose cash gifts to endowment were received during fiscal year 2017. We extend our thanks to these many contributors for their generous support — the very reason for our continued success.

We have highlighted donors new to this list in orange.

The Eleanor B. Daugherty Society was established to honor those individuals who have remembered Chautauqua in their estate plans through a bequest intention, a life income arrangement, a gift of real estate, as beneficiary of an IRA, or trust. The society was named in honor of the late Eleanor B. Daugherty, a Chautauquan and retired music teacher from Buffalo, New York, who left a major bequest to Chautauqua.

Every Gift Matters

J. MARCUS AND ELLEN FULTZ

J. Marcus and Ellen Fultz met at Chautauqua forty years ago when they both visited for the first time with their families to spend the summer studying music. Given her parent’s instrumental role in introducing her to Chautauqua and, as a result, her meeting Marc, Ellen wanted to find a way to honor their legacies and love of Chautauqua. The Arline and Ralph Bernstein Memorial Rain Garden in Miller Park does just that.

Ralph passed away in 2014, Arline in 2006, but both held the Institution close to their hearts. Having been an engineer, Ralph was familiar with and interested in water conservation. Arline simply enjoyed the whole aesthetic of the Institution. “I just thought my mother would have delighted in the beauty it added to the space,” Ellen said of the garden. “And I know my father would have embraced the importance of utilizing the nutrients from rainfall before the runoff goes into the lake. It was just kind of a perfect scenario to fund it.”

Abundant with plant and flower varieties such as purple coneflowers and Black-eyed Susans, it’s nearly impossible to miss the hundreds of thirsty bees nestling for nectar in the Bernstein Garden. At the end of the day, Marc and Ellen come around to look at the garden, not only as a remembrance of people they loved, but as a way to return a favor to the Institution. With their gift they also created an endowment that supports the care and maintenance of the garden from year to year.

Excited about the new Amphitheater and continually energized by the variety of programs that happen in that space, Marc and Ellen recently made an additional commitment to the Institution. The Fultzes have established an endowment to support one of the new rain gardens installed near the Susan Hirt Hagen Center at the Chautauqua Amphitheater. It is their hope that the garden will bring added enjoyment to those headed to and from the Amp.
