MISSION STATEMENT

Adopted by the Chautauqua Foundation Board of Directors August 13, 1992.

Chautauqua Foundation, Inc., is the principal organization responsible for the philanthropic funding of the Chautauqua Institution. In this role it will:

Develop and maintain programs, products and vehicles appropriate to the philanthropic needs of the Institution as determined by the Board of Trustees and the Administration.

Assure fiduciary care in the investment, custody and administration of funds raised.

Disburse funds to the Chautauqua Institution in compliance with the Chautauqua Foundation Articles of Incorporation and the requirements imposed by donors.

Develop and maintain a competent and active Board of Directors and other volunteers as appropriate.

Develop, maintain and direct a professional staff appropriate to carry out the above responsibilities.

In the discharge of its responsibilities, the Chautauqua Foundation will be guided by the Chautauqua Challenge as adopted by the Board of Trustees. The Foundation will be dedicated to quality and integrity in all of its internal and external relationships. The Foundation will anticipate and accept change while maintaining an understanding and appreciation of the history of the Chautauqua Institution in general and the Foundation in particular.
Dear friends,

Many foundations support numerous organizations through their grant awards and endowments each year. The Chautauqua Foundation is atypical, in that it was established in 1937 to solely benefit Chautauqua Institution. As a result, when changes occur at the Institution such as a change in leadership or a change in institutional focus or priorities, the Foundation must too redirect its course to maintain a vibrantly supportive partnership with the Institution. Our fiscal year from April 1, 2017, until March 31, 2018, was one of those years which called for a new nimbleness by the Foundation.

In fiscal year 2018, the first summer of Michael Hill’s presidency, the Foundation continued its leadership role in his introduction to the community. Nine months later, the Foundation facilitated donor participation in a community of voices engaged in the strategic planning discussions underway at the Institution.

Early in this year, we celebrated the remarkable success of the Promise Campaign and its most glorious achievement — a renewed Amphitheater on the existing site thanks to unprecedented and generous philanthropy. Not only did the work of the Foundation and its many volunteers secure the philanthropic dollars needed for the project, the Foundation continues to play an important role in assisting the Institution in the short-term financing of the project as pledge payments are received.

The last nine months of calendar 2017 comprised the primary fund raising timeframe for the 2017 Chautauqua Fund. Under the leadership of Cathy Nowosielski and Jeff Lutz, who were completing their third and final year as co-chairs of the Fund — and in a Chautauqua celebrating the leadership of its new president — the Chautauqua Fund surged beyond its goal of $4,000,000 and raised 5.4% more dollars from 6.2% more donors than the prior year.

During fiscal year 2018, the Foundation led a conversation among leadership of how to appropriately re-define what gifts should be recognized within the Chautauqua Fund. Thus, we have created a more equitable recognition system and, we hope, one that will inspire Chautauquans to support the broad range of interests that define the Chautauqua experience.

As you will read in this report, the net assets of the Foundation grew by over $7 million during the year and the assets under management grew by a similar but larger amount. As the Foundation’s investments move toward the $100 million level, the Investment Committee of the Board, in conjunction with Hirtle, Callaghan & Co., our outsourced chief investment officer, are in a regular review of asset allocation. During this year, the new CEO of Hirtle Callaghan, Ranji Nagaswami, visited the
Institution and members of the committee had opportunities to increase its understanding of the impact of her leadership on this key service provider to the Foundation.

Also during the year, a sub-group of the Investment Committee—with help from two non-board members with great experience and expertise in the hedge fund arena—led a redeployment of almost $9 million in assets from a fund of funds manager to an existing fund manager of the Foundation, Pointer Management, LLC. Since the Chautauqua Foundation’s original investment with Pointer in 2006, they have provided superior returns against industry benchmarks and continue to follow strategies the Investment Committee believes will help to preserve capital in the challenging conditions that history tells us will come.

We closed out fiscal year 2018 in March, beginning to look ahead to the implications of a new strategic plan for the Foundation by asking a series of questions. Is the Foundation ready to meet the opportunities that lie ahead for the Institution? What, if any, additional staff may be required to leverage new funding sources beyond the gates? Is the Foundation spending its resources on the most important activities to produce growth in the assets upon which the Institution may draw? What fund raising programs must be re-envisioned and what new initiatives might we undertake given improvements in technology and data management systems?

Those questions and more will be part of the agenda for the year ahead and the subject of next year’s letter in the annual report as this important work unfolds. We invite you to review the information on the pages following, which also acknowledge the collective generosity of the Foundation’s membership and this community. We do so with gratitude for your investment in the Foundation and Institution. We welcome your thoughts and comments at any time.

Sincerely,

Cathy Bonner,
Chair, Board of Directors

Geof Follansbee,
Chief Executive Officer

Financial Overview

Net assets of the Foundation increased by $7.3 million in the fiscal year ended March 31, 2018 to $95.7 million and total assets reached $99 million. Donors created 24 new endowment funds. The investment portfolio produced a double-digit gain for the second year in a row, increasing the endowment portfolio by over $8 million.

The Foundation utilized a bank revolving credit note during the fiscal year to help the Institution cover the timing difference between receipt of pledge payments and costs incurred for the renovation of the Amphitheater. Through excellent cash management by the Institution, the amount drawn did not exceed $4.4 million and was paid down completely by March 31, 2018. Only $55,224 of interest expense was incurred. The Finance Committee of the Foundation closely monitored this activity as well as continuing its work with the Investment Committee on maintaining spending rates in a relatively low return market environment. The goal remains to balance the delivery of the maximum amount possible to the Institution and the Foundation’s responsibility to long-term sustainability.

Endowment Contributions Receivable

New pledges and planned gift intentions, when combined with the previously stated intentions of donors, create a pool of future assets in excess of $49 million as of March 31, 2018. The Eleanor B. Daugherty Society recognizes donors during their lifetime who have chosen to support Chautauqua’s mission through a planned gift. Members are listed on pages 44 and 45.

**Endowment Net Assets**

The net asset balance of the 738 active endowment funds as of March 31, 2018 was $89 million. This balance represents the sum total of each endowment fund as of March 31, 2018. Endowment funds are comprised of board-designated, term, and permanently restricted endowments to be held in perpetuity for the benefit of the Institution. This chart represents the allocation of the total net asset balances of active endowment funds as of March 31, 2018 by area of support.

**Support to the Institution**

The Foundation’s spending includes direct and indirect support to the Institution, administrative costs of running the Foundation, and investment management fees. Indirect support represents the costs incurred by the Foundation in providing development services on behalf of the Institution. Direct support from the endowment represents distributions to the Institution toward the operating budget for both specified and unspecified purposes. The Foundation utilizes the constant growth method for determining the annual direct support to the Institution, which involves increasing the distribution each year by an inflation factor and new gifts received. The amount to be distributed from temporarily restricted funds is determined annually by the donors and the Foundation and fiscal year 2018 includes the transfer of Miller Edison Cottage from the Foundation to the Institution.

**Investment Summary**

The Investment Committee regularly reviews investment policies, strategy, execution, and performance. Because asset allocation is the primary driver of a portfolio’s total return over the long run, comparison of performance is viewed in the context of the portfolio’s asset class holdings. The committee’s oversight responsibilities cover $94.7 million in invested assets, comprised of the following portfolios:

1) **Endowment** ($89.7 million)
2) **Temporarily restricted** ($1.5 million)
3) **Pooled life income fund** ($3.3 million)
4) **Custodial** ($0.2 million)

Each portfolio is managed according to its specific objectives, and has a unique asset allocation appropriate to those objectives. Investment performance is presented on a net basis, defined as total time weighted return after all investment management fees.

Hirtle, Callaghan & Co., LLC serves as the Foundation’s Chief Investment Advisor and actively manages the majority of the endowment portfolio, the temporarily restricted funds, and the custodial funds. The remaining portion of the endowment fund was invested in two funds of hedge funds, managed by Blackstone Alternative Asset Management and Pointer Management, LLC. During the last quarter of the fiscal year the Foundation redeemed the full amount with Blackstone Alternative Asset Management and reinvested it with Pointer Management, LLC. The pooled life income fund is managed by Key Private Bank.

1) Individual endowment funds are pooled for investment purposes and tracked with unit accounting. This pooled approach enables endowment funds to collectively benefit from the diversification and efficiencies that are available to larger investors. Each endowment fund receives its proportionate share of return based on the market value of the endowment as a percentage of the total market value of the investment portfolio.

2) Temporarily restricted funds are held and managed separately from permanently restricted endowment in one of two portfolios, employing conservative investment strategies. One portfolio is primarily held in cash and the other portfolio is invested in bonds as well as cash.

3) The management and investment strategy of the pooled life income fund (PLIF) is reviewed annually with Key Private Bank. At March 31, 2018, 31% of the PLIF assets were invested in equities, 59% in fixed income assets and 10% in alternative investments.

4) Funds held in custody for the Institution to meet the debt service for the Turner Community Center had a market value of $195,203 as of March 31, 2018. Assets are invested in a series of certificates of deposits.

---

**Endowment Investment Portfolio**

This chart represents the endowment investment portfolio in thousands, which has grown by $59.6 million over the past 15 years, from $30.7 million as of March 31, 2003 to $89.7 million as of March 31, 2018.
Endowment Asset Allocation

Total endowment portfolio market value was $89.7 million and as of March 31, 2018 was allocated as shown in the accompanying table.

Annual Fiscal Year Performance

The Investment Committee takes a long-term approach, over full market cycles, to assess the performance of the portfolio. The fiscal year ended March 31, 2018 produced a gain of 10.1%. The 10-year return surpassed the diversified benchmark in each of the preceding 5 years. This benchmark is net of fees and is diversified based on the strategic allocation of the Russell 3000, MSCI EAFE, HFR Strategic and BarCap Aggregate Bond indices. The benchmark is currently weighted 30% Russell 3000, 30% MSCI EAFE, 20% HFR Strategic and 20% BarCap Aggregate Bond.
The Board of Directors
Chautauqua Foundation, Inc.

We have audited the accompanying statements of financial position of Chautauqua Foundation, Inc. (the Foundation) as of March 31, 2018 and 2017, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors’ Responsibility
Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of March 31, 2018 and 2017 and the changes in its net assets and cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

1. Summary of Significant Accounting Policies:

Organization and Purpose:
Chautauqua Foundation, Inc. (the Foundation) was established in 1937 to raise, invest and reinvest funds to support the mission of Chautauqua Institution (the Institution) to provide cultural, educational, religious and other programs to a large and diverse audience.

Subsequent Events:
The Foundation has evaluated events and transactions for potential recognition or disclosure through June 18, 2018, the date the financial statements were available to be issued.

Cash:
At various times, cash in financial institutions may exceed federally insured limits and subject the Foundation to concentrations of credit risk.

Investments:
Investments in marketable securities are stated at fair value as determined by quoted prices in active markets. Alternative investments include investments in partnerships whose holdings consist primarily of funds of funds, and investments in limited partnerships that are reported at “estimated capital balances” determined by the investment managers.

To satisfy its long-term rate of return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation and current yield. The Foundation targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Property and Equipment:
Property and equipment is stated at fair market value at the date of donation or acquisition cost, net of accumulated depreciation. Depreciation is provided over estimated useful lives using the straight-line method. Property held by the Foundation for which the intended use is not related to Foundation operations are included in other assets in the statements of financial position.

Contributions:
Contributions, including unconditional promises to give, are reported at fair value at the date received. Gifts are reported as restricted support if they are received with donor stipulations that limit their use. When a donor restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction.

Contributions that are expected to be collected in future years are recorded at net realizable value. The discounts on those amounts are computed using an interest rate applicable to the year in which the promise is received. Amortization of the discount is included in contributions revenue in the statements of activities.

Conditional promises to give to the Foundation or the Institution are not recorded as revenue until such time as the conditions are substantially met, and totaled $38,503,000 and $37,691,000 at March 31, 2018 and 2017.

Support to the Institution:
All Chautauqua Fund contributions are distributed to the Institution in the same year they are received by the Foundation. Annual distributions from the restricted endowment funds are made pursuant to the Foundation’s spending policy guidelines and donor stipulations. All other distributions are made in accordance with donor restrictions and for purposes approved by the Foundation’s Board.

Tax Status:
The Foundation is a 501(c)(3) corporation exempt from income taxes under Section 501(a) of the Internal Revenue Code.

Use of Estimates:
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

6. Other Transactions with the Institution:

Pursuant to an agreement between the Foundation and the Institution, the Foundation reimburses the Institution regularly for various personnel and administrative expenses. Additionally, the Foundation was reimbursed $350,000 in 2018 and 2017 by the Institution for development services the Foundation provided to the Institution. These amounts are included as a receivable in other assets and as a reduction of 2018 and 2017 development expenses in the accompanying statements of financial position and activities, respectively.

The Foundation guarantees a promissory note payable by the Institution totaling $222,780 at March 31, 2018. Amounts held by the Foundation on behalf of the Institution to help repay the note totaled $195,203 and $340,954 at March 31, 2018 and 2017.

On May 12, 2016, the Foundation obtained a $25,000,000 bank revolving credit note to facilitate financing the renovation of the Institution’s Amphitheater. The note is available until April 1, 2022 and has step down provisions to $15,000,000 on April 1, 2020 and $5,000,000 on April 1, 2021. The note bears interest at the LIBOR flex rate plus 1%, and contains a covenant requiring the Foundation to maintain a minimum balance in marketable securities or cash of $25,000,000. Additionally, the Foundation provides a negative pledge on all of its assets, and the note is guaranteed by the Institution. During 2018, draws on the line totaled $4,400,000. No borrowings on the arrangement were outstanding at March 31, 2018 and March 31, 2017.

Pursuant to a promissory note entered into between the Foundation and Institution, all amounts advanced under the bank revolving credit note for the benefit of the Institution will be repaid to the Foundation with interest at the Internal Revenue Service’s applicable federal rate for mid-term borrowings. Total interest recognized during the year ended March 31, 2018 was $55,224.
7. Net Assets:
Unrestricted net assets include board-designated endowments and unrestricted gifts available upon request by the Institution. From time to time the market value of certain endowment funds is lower than the original gifted values due to investment experience. These amounts are included in unrestricted net assets as underwater funds.

The composition of unrestricted net assets is as follows:

</tr>
<tr>
<td><strong>Total</strong></td>

</tr>
</tbody>
</table>

Temporarily restricted net assets are comprised of unappropriated endowment gains and restricted gifts as follows:

Permanently restricted net assets represent the accumulated principal of endowment gifts that have been restricted by donors to be maintained by the Foundation in perpetuity. Permanently restricted net assets are comprised of the following endowment gift categories:

8. Retirement Plan:
The Foundation participates in a 403(b) retirement plan for substantially all employees, subject to plan conditions. The Foundation contributes 10% of the employee’s gross pay each year. Funded contributions and costs totaled $91,000 and $77,000 for the years ended March 31, 2018 and 2017.

9. Fair Value Measurements:
Investments in marketable securities are measured at fair value on a recurring basis on the statements of financial position. The fair value for marketable securities at March 31, 2018 and 2017 were determined based on quoted prices in active markets.

Note 10 continued on next page.
### 10. Endowment Assets:

The Foundation’s endowment assets are comprised of board-designated endowment, term endowments and donor restricted endowments to be held in perpetuity. The Foundation has adopted investment and spending policies for endowment assets that attempt to provide returns sufficient to address the purposes of the assets over the long term. According to the Foundation’s spending policy for direct and indirect support to the Institution, as well as for Foundation general and administrative expenses, total spending typically ranges from 3% to 6.5% of the beginning of year market value of the Foundation’s endowment assets. Distributions from the board-designated endowment funds are made at the discretion of the Foundation’s Board.

The Foundation’s Board has interpreted the New York State Prudent Management of Institutional Funds Act (NYPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of donor endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of a donor gift instrument at the time the accumulation is added to the fund.

In accordance with NYPMIFA, the Foundation considers the following factors to appropriate or accumulate donor restricted endowment funds:

- Duration and preservation of the fund
- Purposes of the Foundation and the fund
- General economic conditions
- Possible effects of inflation and deflation
- Expected total return from income and appreciation of investments
- Other Foundation resources
- Where appropriate and circumstances would otherwise warrant, alternatives to expenditure of the endowment fund, giving due consideration to the effect that such alternatives may have on the Foundation
- Investment policy of the Foundation

Investment activity is allocated among the endowment assets based upon their proportionate share of the investment portfolio. Investment activity related to the board-designated endowment is shown as an increase (decrease) in unrestricted net assets. Investment income related to the donor-restricted and term endowments is reported as an increase (decrease) to temporarily restricted net assets until appropriated in accordance with the Foundation’s spending policy. The Foundation’s endowment assets activity for the years ended March 31, 2018 and 2017 is as follows:

Every Gift Matters:

**KAY LOGAN CHAMBER MUSIC ENDOWMENT**

Kay Logan, who passed away in June 2016, will not be forgotten at Chautauqua. A staunch supporter of the arts, Kay's legacy is evident in the impact of her and her husband Harry's philanthropy, which funded numerous scholarships as well as the Logan Chamber Music Series, the David Effron Conducting Fellowship, the Chautauqua Artist Teacher Award for the School of Dance and the Mischakoff/Taylor Concertmaster Chair Fund.

Kay's passion for chamber music — as integral to music education for artists and for the appreciation of music by the public — continues to inspire others to give. Bruce McWilliams and Sarah Hagen McWilliams have enabled Chautauqua to both sustain and expand its chamber music offerings through their generosity and Kay's close friend, Suzanne Shull, has established an endowment for chamber music in Kay's name. Suzanne first came to Chautauqua after an invitation from Kay and felt deeply that her friend's contributions to chamber music on the grounds should be permanently recognized.

The Kay Logan Chamber Music Endowment Fund will support the chamber music program at Chautauqua and help enable Kay's beloved art form to continue to educate, inspire and delight musicians and community members alike.

Kay studied flute at the Chautauqua School of Music during her college years as a scholarship recipient and always credited this experience for setting her on her path for life. Kay was the principal flutist for the Columbus Symphony Orchestra for 15 years. She also performed with the Chautauqua Symphony Orchestra and the Chautauqua Community Band, among other groups, throughout her lifetime.

Gifts of all amounts can be made to the Kay Logan Chamber Music Endowment in support of an annual chamber music program.

Every Gift Matters:

SYDELLE SONKIN AND HERB SIEGEL
ARTISTIC DIRECTOR
OF THE VISUAL ARTS

As the fiscal year closed, Deborah Sunya Moore, vice president of performing and visual arts, was actively leading a search with the assistance of an advisory group comprised of some of Chautauqua’s most ardent supporters of the visual arts, in concert with a panel of national advisors, to engage a new Artistic Director of the Visual Arts at Chautauqua Institution (VACI). As the search progressed, her work was invigorated by news of the intention of Herb Siegel and Sydelle Sonkin to make a gift to the Foundation to endow the first chair in the Institution’s history for one of its artistic directors.

As Deborah conducted a national search to replace VACI’s Artistic Director Don Kimes and Managing Director Lois Jubeck, who had announced that the 2018 season would be their last in their respective positions after three-plus decades leading the program, the news of Herb and Sydelle’s gift provided new allure to the position. They understood that recruiting someone into an endowed chair demonstrated the value the Chautauqua community places on the visual arts and the Institution’s own commitment to the presence of the visual arts on the grounds.

On July 27, 2018, the Institution named Sharon Louden as the incoming Sydelle Sonkin and Herb Siegel Chair for the Artistic Director of the Visual Arts to replace Don Kimes who had been appointed to the Chair subsequent to the announcement of the gift. Building on Don’s legacy, Sharon will oversee a dynamic department composed of the Chautauqua School of Art, Strohl and Fowler-Kellogg Art Centers, an artist lecture series and growing education and community engagement programs.

Herb and Sydelle have each always been interested in art. After they met and decided to form a loving union, they needed to combine their art collections. Coming to Chautauqua only furthered their mutual interest and passion in art and the art community, including adding to their combined art collection.

Their enjoyment from being active patrons of the visual arts and their desire to share similar enjoyment with more Chautauquans prompted their gift. They recognized that by providing additional resources to help the Institution recruit and retain the strongest leadership — a director with a national reputation for artistic vision and creativity — would help build Chautauqua’s stature in the art world.
The following donors have contributed $10,000 or more to the endowment of the Chautauqua Foundation. We thank them for perpetuating the idea and place of Chautauqua. These totals include gifts received, pledged, transferred to the pooled life income fund and certain planned gift commitments made since May 1937.

New donors are denoted with orange and changes in giving levels are denoted with a green dot.

CUMULATIVE SUPPORT TO ENDOWMENT (CONT.)
Every Gift Matters:

**MILLER EDISON COTTAGE AND GARDENS**

The Miller Edison Cottage, the only building on the Chautauqua grounds separately designated as a National Historic Landmark by the National Park Service, was commissioned by Chautauqua co-founder Lewis Miller in 1875 and installed prior to the Assembly’s second session. His daughter, Mina, and her husband, the inventor Thomas Edison, later occupied and owned the cottage. In 2015, the Institution purchased the cottage from Ted and Kim Arnn, the great-grandchildren of Lewis Miller, after receiving a gift from Chautauquan Tom Hagen to do so. Hagen also provided a challenge matching grant of $150,000 for endowment that was fulfilled in 2017. Today, an endowment of $358,000 exists for the future maintenance and preservation of the cottage, which had been lovingly cared for by the Miller family descendants for 140 years.

With the input of historic preservation architect Jeff Kidder, AIA, a partner at Kidder Wachter Architecture & Design in Erie, Pennsylvania, a complete study of the cottage was undertaken after its transfer to the Foundation. The report recommended a series of relatively small structural and safety issues to be addressed for the cottage’s more public use.

In addition, the Foundation hired a leading expert on the gardens of Ellen Biddle Shipman, a legendary landscape designer in the 1920’s whom Mina Miller Edison hired to design the gardens for the cottage after her 1924 renovation. Using the report of Patricia O’Donnell, principal of Heritage Landscapes LLC, Preservation Landscape Architects & Planners, Chautauqua’s supervisor of gardens and landscapes, Betsy Burgeson, has developed a plan for reinvigorating a diversity of perennials, shrubs and trees, as well as restoring pathways, a stone terrace, small pool and fountain.

This past July 2018, the Foundation, with the leadership of Karen Goodell, Bob Jeffrey and Cathy Bonner, hosted a benefit event in Miller Park where over two hundred Chautauquans were treated to a tour of the cottage and gardens led by historical impersonators representing Lewis and Mary Valinda Miller and Mina and Thomas Edison. Guests also learned more about the current funding needs for restoring the cottage and its gardens.

In conjunction with the benefit, Chautauquans generously pledged all the funds necessary to fulfill the garden’s capital needs as well as many of the improvements needed in the cottage. Importantly, the community also initiated a fund to endow the future maintenance of the gardens. This endowment has reached approximately one-third of its ultimate goal. Those who would like to add to this endowment may contact the office of the Foundation.
The Foundation expresses sincere appreciation to the many individuals, corporations, and foundations whose cash gifts to endowment were received during fiscal year 2018. We extend our thanks to these many contributors for their generous support — the very reason for our continued success.

We have highlighted donors new to this list in orange.

The Eleanor B. Daugherty Society was established to honor those individuals who have remembered Chautauqua in their estate plans through a bequest intention, a life income arrangement, a gift of real estate, as beneficiary of an IRA, or trust. The society was named in honor of the late Eleanor B. Daugherty, a Chautauquan and retired music teacher from Buffalo, New York, who left a major bequest to Chautauqua. New members are highlighted in orange.

Every Gift Matters:

DAVID AND JOAN LINCOLN FAMILY FUND FOR APPLIED ETHICS

Since its founding in 1874, Chautauqua has been recognized as a forum in which the value dimensions of current issues have been explored in a variety of programming formats. In the midst of society’s transition from an industrial base to an information base, Chautauqua’s mission has been advanced substantially by helping to satisfy the desire for moral and intellectual growth by people who, often overwhelmed by the fragmentary and isolating forces of information overload and rapid change, are searching for the best impulses of individual and community values.

In 1997, Chautauqua Institution launched a new initiative in applied ethics, the funding for which was provided by David Lincoln. In the 22 years preceding his death in the spring of 2018, David and his wife, Joan, contributed to the Institution nearly $1.5 million dollars in outright gifts to underwrite lectures focused on making the right decisions in everyday life. During these years, continuing into the 2018 season, the Lincoln Program in Applied Ethics grew to include a collaboration with Arizona State University (ASU) where the Lincoln family had established the Lincoln Center for Applied Ethics and funded professors in ethics across the university. Additionally, the Lincoln Program has been experienced within the Interfaith Lecture Series as well as the morning lecture series, master classes and podcasts.

David consistently referred to the Golden Rule when talking about ethics: just do unto others that you would have them do to you. That philosophy guided the way he led his personal life and many business ventures and has been a central characteristic of the company David’s father founded, and in which David was involved most of his adult life, Lincoln Electric.

David began coming to Chautauqua as a small child. His mother’s engagement with the Institution was extensive including years spent as a Trustee. Lincoln Park is named for her. The funding for the construction of Lincoln Dorm was provided by David’s mother in memory of David’s father. David returned to Chautauqua with his young family though such trips became more challenging after the family’s move to Phoenix, Arizona.

David’s passion for fostering in society his commitment to ethical behavior led to a deeper engagement, indeed re-engagement, with the Institution. The Institution became a voice, as did ASU and later Claremont Lincoln University, for educating young and old about the value of ethics.

Before David’s death, he decided to make a series of major gifts to the three institutions through which his advocacy for ethics was being expressed. His gift of nearly $1.1 million dollars to the Foundation established the David and Joan Lincoln Family Fund for Applied Ethics as a permanent endowment that will carry on the annual investment David and his family made to support the exploration of ethical decision-making. The applied ethics program, along with the Lincolns’ support of the visual arts, will continue to honor the lasting legacies David and Joan established at Chautauqua.
